Warm Up Pool:

The basic rules are:

- As long as the swimmers are swimming in the warm up pool, that's ok (unless the monitors see that the pool has gotten too crowded).
- The swimmers should only use the steps to get into the warm up pool. Entering the pool over the sides of the coping is prohibited.
- Sitting on the steps is not allowed.
- The monitors should contact their meet directors if there are any issues with the warm up pool.

Concessions:

Our concessions will include the regular fare and plenty of ice cold beverages.

Cell Phones/Photography:

Use of Audio or Visual Recording Devices, including Cell Phones, is not permitted behind the starting blocks, including any spectator area behind the starting blocks, in changing areas, restrooms or locker rooms. Any suspected violation of this policy will be subject to investigation at the discretion of the Meet Director and may result in disciplinary action including without limitation, removal from the meet.

Drones:

The use of drones is strictly prohibited at all times during the meet.

Weather:

Since this is an outdoor pool, we may have to deal with unforeseen weather issues. If we have a weather delay that forces us to evacuate the pool, I will ask that all participants wait in their cars until it clears. If it appears that it will be over a 25-minute delay we will make a decision on whether to wait it out or cancel the remainder of the meet.

Heat Sheets:

Heat sheets for meet officials will be provided by the NWSC. Each team will provide heat sheets for their coaches for this meet.

We will not have heat sheets to sell.

Special Requests:

We will announce records as they become available.

Please let me know if you have any swimmer with disabilities that need an accommodation.
