

Dear Community Partner,

The Rattan Creek Hurricanes Swim Team would like to invite you to partner with us in sponsoring our team for the upcoming summer swim season. Hurricane swimmers are boys and girls ages 4-17 who practice daily to improve their athletic abilities and have the opportunity to compete in swim meets throughout the summer. Our swimmers are learning valuable life lessons such as positive sportsmanship, the importance of teamwork, overcoming obstacles, and goal setting. We have a fantastic set of coaches that work with our swimmers not only on stroke development but to help model and teach these life lessons.

### **This is where you come in!**

We need the support of our community to provide this experience for our children. We are a non-profit organization comprising parent and community volunteers. We love this team and work hard to provide a top notch experience for our families. We strive to keep our registration fees low so that every family can participate. The Hurricanes could not exist without our community's support.

### **Will you join us by offering your support?**

Your support helps us outfit our team with skilled coaches and purchase long term equipment and supplies for our team. Your business will get increased visibility in our neighborhood all while supporting a great community cause!

Please email [sponsor@hurricaneswimteam.org](mailto:sponsor@hurricaneswimteam.org) with any questions.

## SPONSORSHIP FORM

**Deadline to register is April 15th**

Date: \_\_\_\_\_

Business Name: \_\_\_\_\_

Sponsor name (if different from above), as it should appear on advertising:
